

## New Learning Solutions for 2018

### Storytelling in Presentations and Leadership

Storytelling is a powerful leadership tool. It puts you in touch with your authentic power that is amplified so you can engage your audience. You'll learn how to turn storytelling into an art form. You'll learn to connect with the audience and deliver critical messages using the power of storytelling.

### Leading Millennials

Millennials have arrived, dramatically. Lead the largest generation in the workforce. Millennials will represent 75% of workers by 2025. Leaders who effectively engage and coach these young professionals will be rewarded with workplaces filled with optimism and creativity.

### Executive Search

Over the years many of our clients have asked us to help find talent to help fill the most challenging positions. Upon request we will help you find the right person for you.

05

### Design Thinking Workshops

Design Thinking is revolutionizing work as we know it. Its principles and steps are helping clients approach complex problems with innovative solutions. You will learn how to create holistic, collaborative solutions with a people-centered touch.

04

### Leading High Performance Teams

Clients continue to abandon traditional hierarchies in favor of empowered work teams. Lead these teams properly and produce dramatic improvements in performance and engagement.
